The story of our year is told in the seasons. The school year begins in the crisp, bright autumn with the football season and the senior play. Amid the ice and snow of winter, we cheer the hockey and basketball teams on to victory, suffer the agony of mid-term exams, and take part in the gay pageantry of the Carnival Ball. The warm days of spring usher in the baseball season and the Senior Prom. Summer brings the most thrilling event of all —Graduation.

Now, at the close of our senior year, we look back at the memorable events it held for us, and forward to the new experiences the next year will bring.

Dedicated to.....

With great pride, respect, and deep humility, we, the Class of 1960, dedicate this yearbook to our departed classmate, Ann Shannon, who set for us so perfect an example of how to live and how to do our best even under extreme difficulties.

Although words alone cannot express what a wonderful friend and true inspiration Ann was to each and every one of us, her smiling face and friendly ways will remain in our hearts and our minds forever.

The "Torch" is lifted high in remembrance, respect, and love to our friend and classmate, Ann, by the Class of 1960.

She will always be an

inspiration for us.

With the arrival of fall we got into the swing of things at S.H.S. The football season started, and the cheerleaders, pep squad, majorettes, and band urged the team on to victory. The first dance of the year was a big event for everyone. Also active during this season were the girls' field hockey team and the boys' cross-country team. The highlight of the season was the presentation of "The Man Who Came to Dinner" by talented members of the senior class. Graduation still seemed far away as fall gave way to winter.

Competition Was Keen in

There was very spirited competition for all offices this year. The seniors elected were exceptional leaders and supplied the spark necessary for a successful year. Among the noteworthy events planned by our officers were the class dances. These were well attended, especially the "Luau." It should also be noted that we had a senior prom for the first time in years.

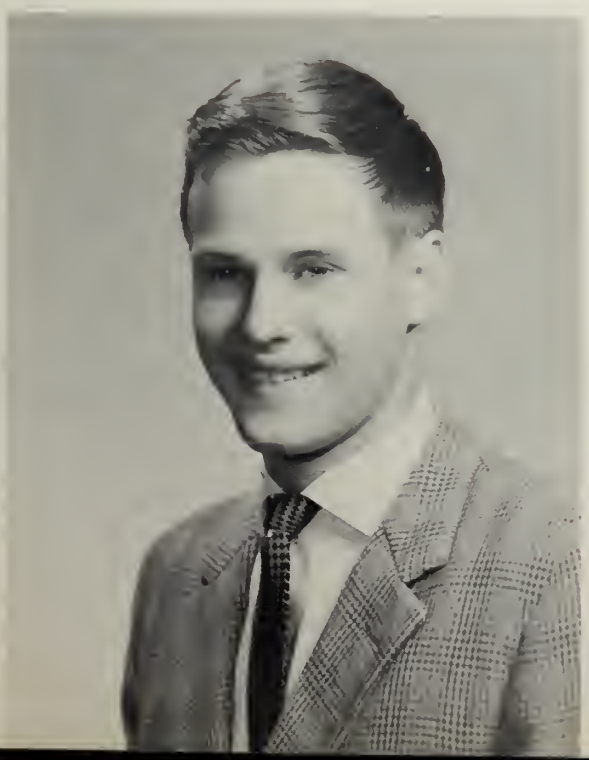
Exchange Student

Almost immediately Roger Thamm became a popular figure at S.H.S. We got to know him well as he joined the cross-country team, sang in the glee club, and participated in the Winter Carnival. He was a familiar personality at dances, sports events, and parties. To you, Roger, we extend congratulations on your ability to "get into the swing of things." We sincerely wish you future success and happiness.

Rager Thamm, our exchange student from Hamelin, Germany.



Mr. Nadeau presents Rager with a letter for cross-country.

Lack of depth figured prominently

Bob Manson's kickoffs went high and deep.

As practice began in September, fans and players alike looked forward to a successful season. The team seemed to justify this optimism as it lost a close game to Melrose, Class B champs, in the opener. However, injuries early in the season revealed a lack of depth so necessary for a winning team.

Despite all obstacles the boys, led by Bob Manson and Frank DelTergo, made a determined effort to win. Frank Muse provided some thrills with several long runs. Francis Pignone, captain-elect, also was a standout.

"The Man Who Came to Dinner" Challenges

"Strange? She's right out of 'The Haund af the Boskervilles.' "

Saturday, November 21, 1959. The curtain is about to go up on the third public performance of "The Man Who Came to Dinner." Mr. Richard W. Stott, our very competent director, is hustling backstage to see that all is in readiness. "Curtain!" The rollicking story of a portly radio personality's stay at the home of a small town Ohio family begins. The actors and actresses not on stage and the committee members have smiles of satisfaction as the audience breaks into riotous laughter and loud applause. The play is soon over. Sincere congratulations and hearty thanks are aptly expressed for a job well done by all.

Mr. Statt transforms Hal Rabinson into Mr. Sheridan Whiteside.

Both the varsity and the junior varsity began the year on a bright note as they defeated Woburn. This was remarkable in view of the fact that it occurred just one day after the teams were chosen. Two more victories followed the opener.

After these victories goals were difficult to get but despite this, the enthusiasm and good sportsmanship remained.

The girls enjoyed the bus rides to other towns, the friendliness of all, and the party after the last game.

Winter at S.H.S. began with Christmas vacation and its fond memories. January built up to, and let down after, the week of mid-years. During this time preparations were being made for that glorious spectacle—the Carnival Ball. Whether we were basketball or hockey fans, we all enjoyed the efforts of two of our favorite teams. This enchanting season of snow, ice, and fun came to a close soon after the February vacation as spring rapidly approached.

Among the social successes of the year were the various school record hops. The seniors will especially remember their "Luau" and the yearbook hop for some time to come. A gay time was had by all as students danced to music provided by class disc jockeys.

Spinning the platters at the yearbaak dance were J. Leavitt, M. Mitchell, S. Meehan, and E. Maare.

Spring is an infectious time of the year when all the dormant emotions and activities associated with it blossom forth again. For the seniors this is a special spring. It is our last opportunity to play baseball for S.H.S., sing in the glee club or dance at the Senior Prom. However, spring is also special because it is the threshold to graduation when we shall leave the secure and carefree world of high school students to face the future as young adults.

1960 Torch

Throughout the winter the Torch staff has been constantly busy, with occasional outbursts of frantic activity as a deadline drew near. Under the guidance of Mr. Smith, we learned how important close co-operation and hard work are in making up a yearbook. This has been a new and exciting experience. To record the activities of a class, its triumphs and laughter, the serious moments as well as the lighter ones, has been a challenge which sometimes taxed our ingenuity, but always stimulated our efforts. We hope that in the future the Torch will bring back vivid memories of our days at Stoneham High.
